May 2015 | Vol 6 | Issue 5 | FORWARD

Warm greetings of the summer season!

The Video Case Study this month features the Bharat Ratna poet-statesman Mr. Atal Bihari Vajpayee. His integrative style and character is immensely worthy of emulation by the modern, 21st century leadership.

The research study by Dr. Sunil Maheshwari highlights that nurturing and leveraging every individual's unique strengths and potential is a progressively more effective route to collective success in the present era.

Next month, we launch a SATTVA Special Issue series. Each edition over the following eight months shall feature focused insights on one of the following subjects - Supervisory Acumen, Managerial Efficacy, Executive Synergy, Appreciative Inquiry, Transformational Leadership, Mentorship, Healthy Living and Individual Excellence.

As always, we look forward to your feedback. Please do write in at your convenience.

Warmly,

The Editorial Board
